Course evaluation surveys will be released during the final week of the course and will close the day after the final exam. You will receive an e-mail announcement the day the online course evaluation survey period opens.

Evaluating courses online is fast, easy, convenient, secure, anonymous, confidential, and above all, important! Course evaluation results are used by faculty to improve teaching, and they are a significant component in the promotion and tenure process.

Watch for the email announcing the opening of the course evaluation period.

New! Course Evaluation Survey Results: Use our new streamlined search tool to find out how your peers rated BC's instructors and courses. You can now search course evaluation surveys by department, course code, or instructor from the Course Information and Schedule link in the My Services section of your Agora Portal account.

Degree Audits-Undergraduates

A degree audit is a computer-generated analysis that enables an undergraduate (except for Woods College of Advancing Studies) or Law student and his or her advisor to assess the student's academic progress and unfulfilled requirements. Students in the Woods College of Advancing Studies can meet with an advisor and obtain a degree audit at any time.

The degree audit is a valuable tool for academic planning because it matches the courses that the student has taken with the requirements of his or her degree program or anticipated program. Students receive degree audits each semester prior to registration and have access to actual and simulated degree audits on their Agora Portal account at portal bc.edu. Students are responsible for completing all the requirements listed on the degree audit prior to graduation.

Review your audit carefully in consultation with your advisor before you register. If a course on your degree audit is not being counted correctly because of a system error, contact your Academic Recorder (A&S and LSOE: Mary McCrosson, CSOM and CSON: Terry Rezzuti). If you want a course to count for a requirement that it does not usually fulfill, obtain a "Degree Audit Course Substitution and Waiver" form from the Office of Student Services, and take it to the department for approval. Return the form with the appropriate stamp to the Office of Student Services in Lyons Hall for processing.

Overloading

The standard semester course load for undergraduates is five 3-credit courses and a maximum of 20 credits, including labs and other 1- or 2-credit courses. Students are eligible to overload if they

have earned at least a 3.0 overall cumulative GPA or a 3.0 GPA in the semester immediately prior to the one for which the overload is sought, in which case they may register through UIS for a sixth course of three credits or more and a maximum of 24 credits, including labs and other 1- and 2-credit courses, during the first seven class-days of the semester.

Students are not permitted to take a sixth course of three credits or more during their first semester at Boston College. Second-semester freshmen who wish to overload with a sixth course of three credits or more must obtain permission from their Associate Dean.

Students with an overall cumulative GPA between 2.0 and 3.0 may, under exceptional circumstances, be allowed by their Associate Dean to enroll in a sixth course.

Students who wish to drop an overload course must fill out the required request form in the office of their Associate Dean by October 1 in the fall semester and by February 14 in the spring semester.

Students in a Woods College of Advancing Studies degree program may take a maximum course load of three courses per semester. Authorization for one additional course will be given only if the student has completed three courses in the previous semester, each with a grade of B- or better. One course may be taken during each Summer Session. Additional courses require authorization. Courses taken without reference to this regulation do not advance a student's Woods College degree program.

Withdrawing from a Course or from the University

Undergraduates may drop or add a course(s), using UIS, during the first seven class-days of the semester. Undergraduates only may drop a course, including a sixth course, until October 1 in the fall semester and February 14 in the spring semester in their Associate Dean's office. After the extended drop period, undergraduates who withdraw from a course will have a "W" recorded in the grade column of their academic record.

Graduate students who withdraw from a course after the drop/ add period (first seven class-days of the semester) will have a "W" recorded in the grade column of their academic record.

To withdraw from a course, students must go to the Forms web page on the Office of Student Services website (www.bc.edu/ssforms), print the withdrawal form, and then go to the Office of the Associate Dean for their respective school. Students will not be permitted to withdraw from courses after the published deadline. Students who are still registered at this point will receive a final grade for the semester.

The last date to withdraw from a fall course with a "W" or to withdraw from the University is December 2, 2013.

Woods College of Advancing Studies (WCAS)

WCAS designates a limited number of courses that are available to full-time undergraduate day students. All full-time undergraduate students are limited to one WCAS course each semester. Freshmen may not enroll in any WCAS courses.

WCAS courses can be used to fulfill elective requirements. Students must check with the appropriate department if they intend to use a WCAS course to fulfill a Core or major requirement. There are a limited number of seats in each course, and they are distributed on a first-come, first-served basis. Check with the WCAS office, McGuinn 100, on the first day of classes, January 13, to see if additional seats are available.

General Information

Audits

Undergraduate

Undergraduate students may not audit a course, with the exception of undergraduates in WCAS.

Graduate

Students in the Graduate School of Arts and Sciences, the School of Theology and Ministry, and the Connell School of Nursing may register for an audit through UIS. Lynch School of Education, Carroll

School of Management, Law School, and Graduate School of Social Work students must consult the Graduate Associate Dean's Office before they can audit a course. Woods College of Advancing Studies students may not audit courses.

After January 22, 2014 graduate students who wish to change a course from credit to audit or audit to credit must go to the Associate Dean's Office and complete a "Graduate Course Exception" form. Graduate students in the Carroll School of Management may change a course from credit to audit but not audit to credit.

If you drop an audit before January 22, you will receive a 100% refund. You may not drop an audit after January 22. There is no cancellation of tuition for a course changed from credit to audit.

Credit Variation

If you need to change the number of credits for a course, pick up a "Graduate Credit Variation" form from the Associate Deans' office. Have the form approved by the Associate Dean of your school and return it to Lyons Hall by January 22, 2014. After January 22, bring the form to the Office of Student Services and pay for the additional credits.

Cross Registration

Undergraduate and graduate students may be eligible to take courses in BC-affiliated consortia if the same courses are not offered at Boston College at any time during the academic year.

Boston Theological Institute

The Boston Theological Institute (BTI), a consortium of theology faculty primarily in the Boston-Newton-Cambridge area, has as its constituent members the following institutions:

- · Andover Newton School of Theology
- · Boston College's Department of Theology
- · Boston College's School of Theology and Ministry
- · Boston University School of Theology
- · Episcopal Divinity School
- Gordon-Conwell Theological Seminary
- · Harvard Divinity School
- Holy Cross Greek Orthodox Seminary
- · St. John's Seminary

This consortium offers complete cross-registration in several hundred courses, the use of library facilities in the nine schools, joint seminars and programs, and faculty exchange programs.

Theology majors and students in the School of Theology and Ministry who want to cross register through the Boston Theological Institute should pick up a cross registration petition in Lyons Hall and return it with an authorization by the appropriate date. Students are expected to consult with their advisor or department chairperson before cross registering. Graduate Theology majors may take up to half of their courses through BTI.

The Consortium

Under a program of cross registration, sophomores, juniors, and seniors may take one elective course during each semester at Boston University, Brandeis University, Hebrew College, Hellenic College, Pine Manor College, Regis College, or Tufts University if a similar course is not available at Boston College. Cross registration forms are available in the Office of Student Services in Lyons Hall.

Graduate students, except Law students, may cross register for one course each semester at Boston University, Brandeis, and Tufts. M.B.A. students are not permitted to register at Brandeis University, and students in the Graduate Finance Program are not allowed to cross register at any of the universities. Cross registration materials are available in Lyons Hall.

Law school students may cross register for classes only at Boston University Law School and only if the course they wish to take at BU will not be offered at any time during the current academic year. Students wishing to cross register must see the Director of Academic Services for permission.

The Graduate Consortium in Women's Studies

Graduate students enrolled in degree programs during the academic year may apply to participate in the Graduate Consortium in Women Studies, an inter-institutional enterprise established to advance the field of women's studies and enlarge the scope of graduate education through new models of team teaching and interdisciplinary study. Faculty and students are drawn from six member schools—Boston College, Brandeis, Harvard, Northeastern, MIT, and Tufts. Graduate students enrolled in degree programs at Boston College may, with the permission of their department, apply to participate in this program. Registration forms will be mailed from the Consortium to accepted students.

Email

The Office of Student Services sends all notifications, including monthly billing information, to your BC email account. You may access your BC email through BC Google Apps for Education at g.bc.edu. Accounts will be username directly followed by @bc.edu (for example, username@bc.edu). This will be the primary way the University will contact students. You may also access your email through the "My Services" tab at portal.bc.edu. If you prefer, you may forward this account to another email system.

Using Google Apps for Education at BC, which includes BC email, requires a separate password (Password2), also on the "My Services" tab. Under "Account and Personal Info," click "Change Password2" and follow the listed guidelines to create it. Password2 will only be used for Google Apps for Education. Students will continue to use their original password for other BC applications.

If you have any questions, contact the Office of Student Services at 800-294-0294 or 617-552-3300.

University Communication Policies and Student Responsibilities

Official communications of the University with its currentlyenrolled students, including notices of academic and administrative matters and communications from faculty and administrative staff, may be sent via postal service, campus mail, or email. To assure that these communications arrive in a timely manner, all enrolled students have the following responsibilities:

Postal service and Campus mail: For purposes of written communication, the student's local and permanent addresses on record at Student Services will be regarded as the student's official local and permanent residences. All students have a responsibility to provide both local and permanent mailing addresses, and to enter corrections via the Agora Portal if the addresses are not accurate in university records. Students should review their address record for accuracy at the beginning of each semester, and again soon after submitting any

Students who are studying abroad have a responsibility to provide their local international address via a link on the Office of International Programs website.

Email: The University recognizes and uses electronic mail as an appropriate medium for official communication. The University provides all enrolled students with Boston College email addresses, as well as access to email services from computer stations at various locations on campus. All students are expected to access their email accounts regularly, to check for official University communications, and to respond as necessary to such communications.

All student responses to official email communications from the University must contain the student's Boston College email address in the "From:" and "Reply To:" lines, and should originate from the student's Boston College email address, to assure that the response can be recognized as a message from a member of the University community.

Students may forward their email messages from their Boston College email address to non-university email systems, if they wish. In such cases, however, students shall be solely responsible for all consequences arising from such forwarding arrangements, including any failure by the non-university system to deliver or retain official

University communications. Students should send test messages to and from their University email account on a regular basis, to confirm that their email service is functioning reliably.

Confidentiality of Student Records

Certain personally identifiable information from a student's education record, designated by Boston College as directory information, may be released without the student's prior consent. This information includes name; term, home, local, and electronic mail addresses; telephone listing; date and place of birth; photograph; major field of study; enrollment status; grade level; participation in officially recognized activities and sports; weight and height of members of athletic teams; dates of attendance; school/college of enrollment; anticipated date of graduation; degrees and awards received; the most recent previous educational agency or institution attended; and other similar information

Electronic access to selected directory information is available to both the Boston College community and the general public. A student who so wishes has the right to prevent the release of all directory information including verification of enrollment, or to suppress selected directory information in their Agora Portal account under "Privacy Preferences." This must be done by the end of the first week of enrollment

Disclosures to Parents of Students

- Parents may obtain directory information at the discretion of the institution.
- Parents may obtain nondirectory information (e.g., grades, GPA) at the discretion of the institution and after it is determined that the student is legally dependent on either parent.
- Parents may also obtain nondirectory information if they have a signed consent from the student.

Notice of Non-Discrimination

Founded by the Society of Jesus in 1863, Boston College is dedicated to intellectual excellence and to its Jesuit, Catholic heritage. Boston College recognizes the essential contribution a diverse community of students, faculty, and staff makes to the advancement of its goals and ideals in an atmosphere of respect for one another and for the University's mission and heritage. Boston College rejects and condemns all forms of harassment, wrongful discrimination and disrespect. It has developed procedures to respond to incidents of harassment whatever the basis or circumstance. To this end, Boston College has designated its Executive Director for Institutional Diversity to coordinate its efforts to comply with and carry out its responsibilities to prevent discrimination in accordance with state and federal laws, including Title VI, Title IX, Section 504 and the ADA. Register for Courses Using UIS

To register for classes at Boston College, you need to access BC's University Information System (UIS).

Check if you already have the needed software application.

To access UIS, you need to use a software called "Telnet" or "tn3270" that is configured to access BC UIS. You may already have the needed software on your computer. It is on all CTRC lab computers and Windows laptops purchased at all BC Bookstores. Here is how to check if you have it already installed:

Windows: Start > All Programs/Programs > BC UIS or UIS Mac: Applications folder > BC UIS

If you don't have BC UIS, take a minute to download and install it.

If you don't have a way to connect to "BC UIS" on your computer, you will need to download and install it at the link below. The download and install should take about one minute. If you have questions about installing the software, please call the Help Center at 2-HELP.

Download UIS for Windows:

https://download.bc.edu/applications/telnet/Install_UIS.exe

Download LHS for Mac-

https://download.bc.edu/applications/telnet/BC_UIS_Installer.dmg

Once you have UIS installed on your computer, follow the instructions below.

- Enter your username and password.
- To register for courses, type in the number for Administrative Systems. Type in the number for U-View Your BC Records. Type in the number 2 for Student Information and then "R" to register.
- Enter the 4-digit index number at the left of the course (ex: 9749) or the 7-character course code (ex: RL21504). Press enter. If the course is available, you will be given the following options:
 - · Done: To update your schedule and exit.
 - · Save: To update your schedule and continue.
 - · Back: To retrieve your schedule thus far.
- Choose one of these options and type it on the line underneath your last course. If you have not finished registering for courses, be sure to "Save" often, so you do not lose your seat in any of your course selections.
- To log off from the registration screen, type "Done" and then follow the instructions on each subsequent screen. Exit the registration transaction completely and then reenter to ensure that you have registered successfully for all your courses.

Search Features

Use the "Browse Courses" screen to search for all (a) or open (o) sections of a course or to search by course title. From the registration screen, type "?" over the course to find open or all sections of that course or type "?" on a blank line and then the department abbreviation (ex: BI for Biology). Check course status to determine if it is open or restricted.

If you want a particular section, enter the number on the upper left-hand side of the Browse Courses screen and then press enter. Type "R" to return to the registration screen without making a selection.

Problems/Error Messages

A listing of possible error messages is listed below:

- Corequisite: You need to add the course's corequisite to your schedule. The options for the corequisite are listed at the bottom left of the screen. Choose one and then type the index number on the next available line.
- Course Closed: There may be no seats left in the course, or the department may be holding seats or sections of courses, so they are unavailable during certain periods of registration.
- Department Permission: Some courses, including all graduate courses, may be available to undergraduates with department permission only.
- Duplicate Course: You may have listed two sections of the same course.
- Invalid Index: You have entered an incorrect index number. Search 'Browse Courses" online or the printed Schedule of Courses for the correct number.
- Restricted: Courses may be restricted by school (e.g., For Education Only), by degree (e.g., For Doctoral Students Only), by major (e.g., For Economics Majors Only), or by class year (e.g., For Freshmen Only).
- Time Conflict: You have listed two courses that are scheduled at the same time or overlap a period of time.

You will not be able to add a course or save your schedule unless you resolve the problem or remove the course from your schedule.

Register for Courses Using U-Dial

- Call the Boston College Voice Response Unit at 617-552-8800. If you are calling outside the 617 area code, be sure to dial 1 + 617 before 552-8800.
- Enter your Eagle Number.
- Enter your 5-digit Personal Identification Number (PIN).
- Once you have accessed the voice response unit, you will hear a list of the main menu of transactions. (Review the selections below to be sure you understand the differences between transactions.) The system will then request that you choose one of the following transactions:

TO ADD A COURSE: If you wish to add a course, press I when prompted to do so. Then follow the instructions at each prompt until the add transaction is

TO DROP A COURSE: If you wish to drop a course, press 2 when prompted to do so. Then follow the instructions at each prompt until the drop transaction is completed.

TO ADD AND DROP A COURSE: If you wish to drop one course and then add one course, press 3 when prompted to do so and follow the instructions at each prompt until the drop/add transaction is completed. This transaction will not complete the drop unless you successfully add one course in its place; therefore, you shouldn't worry when the drop transaction appears not to have gone through. This transaction should be used if you are changing the corequisite for a course (a lab or a discussion group).

TO CHECK THE STATUS OF A COURSE: If you wish to check quickly to see if a particular course is open, press 4 when prompted to do so. Then follow the instructions to check the status of the course.

TO LIST COURSES: Press 5 to hear the courses you are currently registered for or to confirm your transaction(s).

TO END CALL: Press 9 to disconnect from the Voice Response Unit. Be sure to listen carefully to instructions as you proceed with any transaction. If you make a mistake at any time, press * to start over.

Once you are familiar with the system, you can bypass the recorded message by entering the information requested at the beginning of the prompt.

Probable Solution

Problem/Message

You may encounter a problem or receive an error message while using the voice response unit. The most probable messages/problems and solutions are listed as follows.

		possibility is the system is experiencing unscheduled downtime. Please call back in 15 minutes.
3.	Busy signal	The system's incoming telephone lines are all in use. Try again later.
4.	System does not answer	The Voice Response Unit is not functioning. Try again later. $$
5.	Wrong ID	Check to make sure that you are inputting your Eagle ID number correctly.
6.	Wrong PIN	Check to make sure that you are inputting your PIN correctly.
7-	Wrong index numbers	Check to make sure that you are input- ting the correct 4-digit index number, not the course number (e.g., 9999 rather than EN999.09). Refer to the Schedule of Courses for index numbers.
8.	Time conflict message	Check the Schedule of Courses or the Course Status List available on U-View. If there is still a problem, there may have been a time change. What is on the computer is correct since it is the most up-to-date.
9.	The course you want is:	
	• a sixth course	Students who maintain a 3.00 GPA, may add a sixth course online (up to 20 credits) during the first seven class-days of the semester.

Final Exam Information

All courses have a scheduled exam time determined by the starting time of the course. This listing shows standard class meeting time exam assignments for undergraduate courses. In general, common exams are held at 4,00 o p.m. If a course does not fit exactly into a module, it assumes the module corresponding to the closest class meeting time. For example, a class meeting T TH it is assigned module to (T TH 10.50)h. In situations where the non-standard time fills halfway between two modules, use the module for the later time. For example, a class meeting M W F 9:30 is assigned module of y M W F 10). The meeting place for each exam will be posted in LyGus basement one week prior to the exam period. Exam information is also available on UViou.

Students are expected to take no more than two final exams in any one day. If a student has three exams scheduled in one day and one of these is a common exam, it is the responsibility of the instructor holding the common exam to give a make-up exam. If a student has three regular latery, scheduled exams (this can happen if the student is taking a course that meets at 4,000 p.m. or later), the instructor teaching the course outside of the standard time blooks (8000 a.m.,1000 p.m.) should provide a make-up exam. In addition, if a student has a conflict between a common exam and a regularly scheduled late afternoon or evening course exam, the responsibility for a make-up lies with the instructor offering the common exam. No exams should be scheduled during the Study Days designated on the academic calendar.

Weather-Related Exam Changes

If there is a storm during the examination period, there is the expectation that exams will be held as scheduled. In the very rare instance that the exam schedule is delayed or postponed due to inclement weather or other emergency situations, the first available of the following days will be used: the Sunday during the exam week, the afternoon of the last exam day, and the day after the last exam day. If rescheduling is necessary, amouncements will be made on WBZ, WEKO, and WBMX, and on the Boston College INFO line (6)7-552-4696). For graduate and professional students, amouncements concerning final exams will be made on the same radio stations and on f57-553-INC. Students are responsible for attending final exams at the scheduled times. In addition, students should consider possible exam rescheduling when making travel plans at the end of the semester.

Financial Information

Billing Information—Spring Semester

Tuition and fees for undergraduates are due by December 10, 2013. Restrictions will be placed on any account not resolved by the due date. These restrictions include denied access to the Athletic Complex, use of the ID card and Meal Plan, and the ability to drop and add courses. In addition, a \$150.00 late payment fee will be assessed on any account that is not resolved by the due date. In severe cases, students will be withdrawn from the University. Please note all billing statements are sent electronically to your Agora Portal account (portal. bc.edu). Visit www.bc.edu/mybill for more information.

Scholarship holders are not exempt from payment of registration fees, acceptance fees, insurance, and miscellaneous fees at the time prescribed

Tuition and fees for the Graduate Schools of Management, Arts and Sciences, Education, Nursing, Social Work, and School of Theology and Ministry are billed on or about December 15, 2013. Payment is due by January 15, 2014. All students should be registered for fall semester by December 15. The tuition for the Law School is due by December 10, 2013. There is a \$150.00 late payment fee for payments received after the due date. In severe cases, students whose accounts are not resolved by the due date may be withdrawn from the University.

Questions regarding billing and payment should be directed to the Office of Student Services, Lyons Hall, at 617-552-3300 or 800-294-0294.

E-Payment

The University offers web-based payments directly from your savings or checking account. You may make an e-payment through the MyBill option in your Agora Portal account (portal.bc.edu) or at https://portal.bc.edu/webpayment.

The University does not accept credit card payments for tuition, fees, or room and board, except for the students in the Woods College of Advancing Studies (WCAS).

Massachusetts Medical Insurance

In accordance with the Commonwealth of Massachusetts' law and the policies of Boston College, all students registered in a degree program will be charged directly by Boston College for medical insurance. Non-degree students who are registered at least 75% of the full-time credit load will also be charged directly by BC.

Students currently enrolled in a health plan that is comparable to the Boston College-sponsored plan may waive coverage as follows:

- If students are over the age of 18, they may access their Agora
 Portal account (portal.bc.edu). Select "My Services" and then
 "Medical Insurance" option. To provide proof of comparable
 coverage, they will need to have information about their current
 health insurance plan readily available.
- If the student is under the age of 18, the parent or guardian must sign and submit a written waiver which can be downloaded at www.bc.edu/ssforms. These students cannot file an electronic waiver.

International students who are not citizens or permanent residents of the United States will automatically be enrolled in the Boston College plan regardless of their credit hours. International students are not eligible to waive the student insurance plan unless they are enrolled in a plan underwritten by a U.S.-based insurance carrier. They also are not eligible to waive their insurance online. They will need to submit a written waiver form.

Waivers must be completed every year. Providing insurance information to other offices on campus (e.g., Athletics or Health Services) does not fulfill the waiver requirement.

If students do not complete a waiver (electronic or paper) prior to the deadline, they will automatically be enrolled in and charged for BC's Student Injury and Sickness Insurance Plan. The cost is \$1,317 for coverage from January 13, 2014, through August 6, 2014.

Waivers for the spring semester only must be completed and submitted by January 24, 2014. Incomplete waivers will not be processed.

Withdrawals and Refunds

Fees are not refundable.

Tuition is cancelled subject to the following conditions:

- Notice of withdrawal must be made in writing to the Dean of the student's school
- The date of receipt of written notice of withdrawal by the Dean's Office determines the amount of tuition cancelled.
- The cancellation schedule as published in the University catalog
 will apply to students withdrawing voluntarily, as well as to
 students who are dismissed from the University for academic or
 disciplinary reasons.
